

Systems Engineer

Zurich

Referenznummer:

ALTEN Group

Within 30 years, ALTEN has become leader in both outsourced Engineering and IT Enterprise Services. ALTEN, composed of 57,000 engineers, carries out complex and highly technical projects throughout the value chain of 6,500 clients, the most prestigious companies in all sectors of industry, services and telecommunications. We work with key actors in the Aeronautics & Space, Defence & Naval, Security, Automotive, Rail, Energy, Life Sciences, Finance, Retail, Telecommunications and Services sectors.

ALTEN Switzerland

Since 2005, with 450 current employees, ALTEN Switzerland is a reference partner in providing Engineering services to 100 world leading companies. ALTEN Switzerland's activities cover all the main strategical areas of the Swiss market in Life Sciences, Engineering & IT Services.

Are you the experienced Systems Engineer that we are looking for? Then you should read this job ad and apply today! This is a job ad for upcoming future assignment at ALTEN. At ALTEN you get the chance to develop while doing something that you are passionate about.

Our team is now looking to grow with an experienced System Engineer with leadership, problem-solving skills and technical development. In this role you will be involved in the whole project, including requirements gathering, coding, and testing, until it is ready to be certified. The projects are cross-functional and require that you have experience in preparing hardware and software for customer installations. You will be a represent for ALTEN at the customer site as well as a part of ALTENS development. Great emphasis will be places of personal qualities.

JOB / SKILLS

What we think is needed to succeed in the role:

- Master degree in engineering
- At least 5 years of experience in software engineering and/or as a process manager
- Experience in complex, regulated environments and with global projects
- Good understanding of requirements and expectations within a project
- Fluent in English – French, German or Italian are a big plus

What we offer you

Every employee is equally valuable in the success of ALTEN! We are driven by making people grow and develop, which is why we offer you the opportunity to work with what you are truly passionate about. At ALTEN, we have a broad range of assignments at most of the leading companies in Switzerland in several different sectors, to make it possible for your wishes to come true. We offer both national and international opportunities and together with your coaching manager, you build your career path, so you constantly are able to develop and achieve your goals and dreams!

As a consultant at ALTEN, you will get the genuine team feeling at your assignment, but also a wonderful togetherness at ALTEN. Through our different internal networks, such as ALTEN Sports, Women@ALTEN and ALTEN Innovation you will get the opportunity to drive topics and activities that are close to your heart, together with your colleagues. All activities are of course optional. Work-life balance is our top priority. We also have a collective agreement and other benefits like Pension, Insurances and Wellness grants.

We believe in growing together

We look forward to your application!

What we offer you

At Alten, we offer you the security of a permanent contract while also giving you the liberty to work with multiple prestigious clients. With the luxury of having a wide range of offices around the world, we are in a unique position to provide you with the freedom to experience national and international business opportunities. Thus, we function in a highly innovative market, always being up to date with the latest technologies and making you a pioneer in your field. Therefore, we offer our employees sought-after trainings and workshops ranging from hard to soft skills and providing you with certificates that will further increase your qualifications, enabling you to participate in ground-

breaking projects.

Apply now and be a part of our amazing journey. We believe in growing together!
