As a company we support them with their expertise. In ALLEN Switzerland we have **450 Employees** and **100 clients**.

Are you passionate about technology and like to take on complex technical challenges? Do you want to work in exciting projects at renowned clients? At ALLEN we believe that knowing and meeting the expectations of our consultants is a key factor in our success. Our consultants make the difference. Do you want to make the difference too?

Are you the experienced Systems Engineer that we are looking for? Then you should read this job ad and apply today! This is a job ad for upcoming future assignment at ALLEN. At ALLEN you get the chance to develop while doing something that you are passionate about.

Our team is now looking to grow with an experienced System Engineer with leadership, problem-solving skills and technical development. In this role you will be involved in the whole project, including requirements gathering, coding, and testing, until it is ready to be certified. The projects are cross-functional and require that you have experience in preparing hardware and software for customer installations. You will be a represent for ALLEN at the customer site as well as a part of ALLENs development. Great emphasis will be places of personal qualities.

JOB / SKILLS

What we think is needed to succeed in the role:

- Master degree in engineering
- At least 5 years of experience in software engineering and/or as a process manager
- Experience in complex, regulated environments and with global projects
- Good understanding of requirements and expectations within a project
- Fluent in English – French, German or Italian are a big plus

What we offer you

Every employee is equally valuable in the success of ALTEN! We are driven by making people grow and develop, which is why we offer you the opportunity to work with what you are truly passionate about. At ALTEN, we have a broad range of assignments at most of the leading companies in Switzerland in several different sectors, to make it possible for your wishes to come true. We offer both national and international opportunities and together with your coaching manager, you build your career path, so you constantly are able to develop and achieve your goals and dreams!

As a consultant at ALTEN, you will get the genuine team feeling at your assignment, but also a wonderful togetherness at ALTEN. Through our different internal networks, such as ALTEN Sports, Women@ALTEN and ALTEN Innovation you will get the opportunity to drive topics and activities that are close to your heart, together with your colleagues. All activities are of course optional. Work-life balance is our top priority. We also have a collective agreement and other benefits like Pension, Insurances and Wellness grants.

We believe in growing together

We look forward to your application!
