About the Company

Within 30 years, ALTEN has become leader in both outsourced Engineering and IT Enterprise Services. ALTEN, composed of 46,000 engineers, carries out complex and highly technical projects throughout the value chain of 6,500 clients, the most prestigious companies in all sectors of industry, services and telecommunications. We work with key actors in the Aeronautics & Space, Defence & Naval, Security, Automotive, Rail, Energy, Life Sciences, Finance, Retail, Telecommunications and Services sectors.

ALTEN Switzerland

Since 2005, with 450 current employees, ALTEN Switzerland is a reference partner in providing Engineering services to 100 world leading companies. ALTEN Switzerland's activities cover all the main strategical areas of the Swiss market in Life Sciences, Engineering & IT Services.

Join ALTEN Switzerland as Senior Java Back-end Developer to support an important client in the banking and digital domain.

Key Responsibilities

- Develop Java backend applications (JPA, Hibernate) in a SAFe Agile environment, with a focus on CRM and database migration (PL/SQL);
- Collaborate in cross-functional teams to analyze requirements, ensure software quality, and drive continuous improvement;
- Contribute to architectural alignment and technical best practices within the development community.

Requirements

- Bachelor's degree in Computer Science, Computer Engineering or equivalent;
- At least 5 years of experience in backend development in enterprise contexts;
- Java 11+ (up to JDK 21), with excellent command of Stream, Lambda, Try-with-resources;
- Strong Experience with ORM (Hibernate, JPA);
- Experience with relational databases (Oracle, PostgreSQL), including stored procedures;
- PL/SQL fundamentals;
- Fluency in English and Italian (spoken and written).

This role values nice-to-have expertise in Camunda BPM, cloud-native architectures (AWS/Azure/GCP), enterprise CRM, end-to-end testing (Selenium/Tosca) and DevOps tooling (Docker, APM tools like AppDynamics/Dynatrace).

Location: Lugano, Switzerland (on-site).

What we offer you

At ALTEN, you will benefit from a permanent contract, access to cutting-edge projects with top-tier clients, and opportunities for growth both nationally and internationally. We support your development through certified training courses, both technical and soft-skill oriented.

Apply now and grow with us – we believe in building the future together!
